Thank You!

I would like to invite you to participate in volunteer orientation. Volunteer orientation is a requirement for volunteering with Frisco Family Services Center, and it is a wonderful opportunity for you to learn about the agency and meet the volunteer coordinator to discuss your volunteer interests.

Please review the orientation calendar and RSVP by reply email to: volunteer2@friscocenter.org for the date which you plan to attend. Orientation happens at our 3rd and Elm location, 8780 3rd Street.

No need to bring anything to orientation, as training materials and refreshments will be provided. I look forward to meeting you, and to helping you find your place here as a part of our team!
